

Winter 2010

Dear Parent Community,

As many of you are aware, Bet Shraga Hebrew Academy of the Capital District has made the eighth grade “Experience in Israel” program a cornerstone of its General and Judaic Studies education. In an effort to financially help support this endeavor, a joint incentive partnership between HACD and the United Jewish Federation of Northeastern New York has been initiated.

The new HACD/Israel Experience Program will be administered by the United Jewish Federation of Northeastern New York. Its purpose is to help provide students with the financial means to participate in the eighth grade trip to Israel.

Information regarding Israel experience brochure may be found at: http://www.jewishfedny.org/local_includes/downloads/31973.pdf and the program application at: http://www.jewishfedny.org/local_includes/downloads/31974.pdf. You will find all of the details as to how to participate in creating and maintaining an HACD/Israel Experience account through these links.

We at Bet Shraga are thrilled to be able to offer this opportunity to our school community. With the availability of this matching program, your child’s eighth grade Israel trip will be well on its way toward becoming a financial reality. The sooner you begin making deposits for your child/children, the larger your account will grow! Invest in your child’s Jewish education in a way that can only enhance their years of study by making them come alive.
