

## 8<sup>th</sup> Grade Language Dinner

On Monday, December 5<sup>th</sup>, the 8<sup>th</sup> grade went to Rabbi Kaplan's house for our Language Dinner. The whole class helped out to get dinner ready which was great. Jennie was our master chef. She cooked delicious chicken with angel hair pasta. It was a lot of fun. Leading up to the dinner, we completed a unit about food in Spanish class and in Hebrew class. At the dinner, there were six languages spoken: Spanish, Hebrew, Italian, Mandarin, English, and French. Thank you to Ms. Baker, Rabbi Rami, Rabbi Kaplan, Yael, and Adva for joining us at our language dinner and speaking with us in so many languages.
