

### **Meir Zimand '84**

I left HACD after 6th grade in 1981. I am married to Rachel for 15 years and we have two boys. Asher is 13 and Levy is 10. Both boys attend an orthodox day school in St. Louis Missouri called Epstein Hebrew Academy. I am the bookkeeper for a Conservative Shul in St. Louis. Bet Shraga was a huge influence on me. The love of Israel that one gets from HACD stays with you for a life time. I still remember Gina teaching us singing and Lorraine Arcus teaching us dancing and the annual show the school would put on at the end of the year. I also remember the great resources that were available in the Learning center for those of us that needed it. I have not run into that since leaving the Bet Shraga.
